

## COMPANY PROFILE

Let's Support LLC is a game changer for promotional apparel and accessories. The newly established Let's Support LLC in San Diego has the strength of over 20 years of experience in manufacturing textile products with its factory and head office in Turkey.

Our products are perfect for teams, clubs, fan items, charities, social events, public relation events, promotional events, and more. We offer premium quality at factory direct pricing with low minimums, fast turnarounds, worldwide delivery, no setup fees and a free in house design service.

Our company operates with the principle of offering the best quality products to its customers and is always undergoing innovations in the textile industry to offer the highest quality standards. With this aim in mind, all of our materials are ISO 9001 certified. Working meticulously, our factory documents its commitment to work safety and quality standards by attaining the SEDEX R certificate in 2018 and DIN EN ISO 140001:2015, ISO 450001:2018 and DIN EN ISO 9001:2015 certificates in 2020.

From design to delivery, your products are manufactured designed and produced in our factory and shipped directly to you! We have woven, knitted, printed scarf machines, socks machines, label machine, confection and overlock machines, laser cutting machines all under one roof. This is why we are able to offer some of the lowest MOQ's in the industry for custom made to order products.

Our professional designers can help you turn your idea into a work order that's ready for production. We offer free digital mock-ups for everyone, just email us your artwork and we will take care of the rest.

Because we are direct manufacturers, we start production right away and ship directly to you from our factory. Turnaround time is anywhere from 10 to 30 days for all our products. We provide rush orders too.
